

KONICA MINOLTA

The essentials of imaging

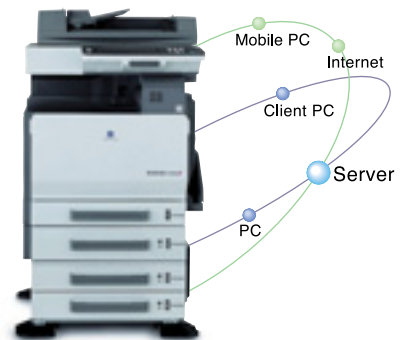

## Start taking your office with you.

Every time you leave the office on business, many of your most critical office documents get left behind. But with Konica Minolta's bizhub, you can get these important assets whenever and wherever you need them. With bizhub, colour documents can be scanned, saved as high-quality and lightweight Compact PDFs and then sent directly to you. This whole process takes just moments, insuring that you're able to make decisions, even while on the go. Moreover, all of this can be accomplished whether you're next door, across town or on the other side of the world. Because, no matter where you are, bizhub is there too, changing the way you work.
