

KONICA MINOLTA

The essentials of imaging

Black and white on the outside. Green at heart.

The face our bizhub MFP shows the world is sleek and distinctively black and white. But at its heart, it is undeniably green. From environmentally friendly technologies to green sourcing to a host of energy-saving awards and certifications, Konica Minolta's bizhub has proved itself a true friend to the environment. To learn more go to www.biz-hub.net/GREEN
